SMARTJETS

Over the last 30 years, the SmartJets team has successfully concluded more than \$5 billion in business aviation transactions. With a commitment to delivering the highest levels of client service, in-depth industry knowledge, an impressive international network and expertise in regulatory matters, SmartJets is ready to assist clients in finding the right solution for their business aircraft purchases, sales, brokerage, trades, financing or leasing.

VIP COMPLETIONS

The VIP Completions team brings more than 20 years of experience to business aircraft completions and refurbishment. Having completed aircraft ranging from light business jets to corporate airliners, the VIP Completions team is primarily focused on long-range business aircraft. With partners including some of the best design firms in the world, VIP Completions offers its valued clients the best brands, the most elegant designs and the highest quality materials to realize individual clients' business aircraft completions projects.
